

APPLY BY MONDAY, NOVEMBER 19 – beginning of rehearsal

The Alaska Youth Orchestras will hold a concerto competition on **DECEMBER 8, 2018** for a soloist who will perform a movement of a concerto during our second concert on March 5, 2019. Please note the following

- A. This concerto competition is not necessarily an annual event and may not occur in future years.
- B. Based on the competition the judges may decide that there is no winner. All decisions of the judges are final.
- C. As is normal procedure, no one is allowed in the room to hear the competition except the participants and judges.

Here are the rules:

Disqualification will occur if any of these rules are not observed.

1. You must be either in 11th or 12th grade during this school year.
2. The concerto is open to members of the Alaska Youth Orchestras with the exceptions noted below.
 - a. Previous winners of AYO sponsored concerto competitions are not eligible.
 - b. You will be allowed only one time slot in the concerto competition. This means that you can only play one solo.
 - c. Even if you win the competition you will be disqualified if you perform the same work with another Anchorage area orchestra during the same concert season. An exception is made if you perform your solo with an ASD school ensemble.
3. You are expected to play the concerto on the instrument you play in AYO with the following exceptions:
 - a. The competition is open to pianists who are members of the AYO (even if they play another instrument in the orchestra), with the approval of the music director.
 - b. In certain cases you can play a concerto on an instrument other than your AYO instrument, with approval of AYO director. An example would be an AYO clarinetist wishes to perform a sax concerto
4. You will prepare the fast (usually first) movement of a concerto – with cadenza if present. The accompaniment must be sufficiently easy for AYS so that there is minimal rehearsal. See the repertoire list (on website) for more guidance.
 - a. The concerto movement should be about 10 minutes in length. You may be allowed (pending approval) to perform two movements if both movements together total the 10 minute requirement. These movements must be from the same work – you cannot perform on movements from two separate works.
5. ***The concerto to be performed must be pre-approved by Mr. Weeda.*** Approval of the concerto is based on the level of difficulty of the accompaniment. Fill out the form on the website and present it to Mr. Weeda so that the selection can be discussed at that time. If Mr. Weeda determines that the concerto will not work, you may submit another concerto for approval within a week. Note the deadline for submission of written approval form.
6. You will provide your own, live (not pre-recorded) accompanist. No exceptions are allowed. Your accompanist may make judicious and musical cuts in the orchestral (non-solo) passages.
7. The concerto (not the accompaniment) should be memorized.
8. If the concerto has cadenzas, perform all cadenzas during the competition as well as performance.
9. If you win the competition, you will perform only the work(s) with which you auditioned on the concert. No substitutions will be allowed.
