

FRANK PINKERTON CONDUCTS

School Concert Scheduled Monday

Monday at 7:30 p.m., the combined Junior High School String Choir and the All School String Orchestra under the direction of Frank Pinkerton will present its first annual concert. The program will be held in the multi-purpose room of Central Junior High.

"The concert will be short," Pinkerton said.

The special groups performing, other than the combined orchestras, will be ensembles from Central and Wendler Junior Highs, a violin trio by Camille Uzzell and Twila Everitt from Woodland Park School and Susan O'Brien from Northwood; a string trio by Denise Moriarity and Cathy Cottle from Central Junior High and Chris Power from Chugach.

ALSO PERFORMING as violin soloists will be Susan

Blomfield from Inlet View, and Judy Pinkerton and Gary Pinkerton from Nunaka Valley School. The advanced string ensemble from Williwaw will present a special number also.

The All School Orchestra is a new program in the Anchorage Borough School District this year. Pinkerton said that

he intends to extend the stringed instrument program to every elementary in the district next fall, provided the school indicates interest in the program.

Pinkerton will be available to answer questions pertaining to the string program in the Anchorage schools after the concert Monday night.
