the extent o.
erage with a suggestion,
ever, that more depth be given
to student council activities
and more emphasis placed on
academic subjects. Eagle's Cry
editorials were commended and
a special favorable comment
given to **They Say** which was
described as "alive," "vital."

A very thorough analysis of
the paper is provided by the
NSPA and will be diligently
studied by the present Eagle's
Cry staff in an effort to further
improve the paper.

repainted. An observatio.
for the ski patrol has also been
built.

West High Youth Concerts Given

Excellent opportunities are
being afforded students in the
Anchorage area who have an
interest in, and/or an apprecia-
tion for, good music. The Anch-
orage Symphony has included
a series of Youth Concerts in
its 1966-67 concert series. These
will be presented on three Sat-
urday mornings in the Sydney
Laurence Auditorium. Dates
selected for the 10:00 a.m. per-
formance are October 29, Feb-
ruary 4, and May 6.

Guest soloists Jean-Paul Bil-
laud, pianist, and Mildred Dil-
ling, harpist, who will be ap-
pearing on the evening con-
cert slates will also perform for
youth. Conductor Frank Pinker-
ton indicates that the programs
will be basically the same as
the evening ones, but that time
will be taken for demonstra-
tion and explanation that will
especially appeal to the young
people.

Prices have been set at 50c
per student and \$1.00 for adults
who wish to make the Saturday
performances a family affair.

Tickets may be obtained in
advance from the Anchor Book

Shop, Alaska State Bank, Anch-
orage House of Music, The Hat
Box, Music City and from indiv-
dual members of the Sympho-
ny. They may also be purchas-
ed at the ticket office on the
morning of the performance.
