SLAB KILLS THREE

ARLINGTON, Va. (P) — A big third-floor slab of an office building under construction collapsed today, killing three workmen and injuring 36 others.

Now being tested, safety device may have valuable uses outside space program, such as mine and mountain rescues and helicopter evacuations of wounded soldiers.

Spending Curb Favored In Pol

SEATTLE (AP) — The Jo Brooks family returned home to find their back door open, two steaks and almost half a bottle of rum missing. They found this note on a piece of opened mail:

"Dear Mr. and Mrs.: This is for meal. We're not bumming choice, but we were starved when we eat. May God forgive me. Thank you. Sorry we broke your back door, but put in the screws."

There are around 1,500 families in Oakland, Calif.
