# Christmas Fantasy

Featuring  
the  
ABSD High School Choirs  
and the  
Anchorage Youth Symphony  
Directed by  
Elvera Voth Douglas

8:00 P.M.

DECEMBER 12th and 13th, 1974

Some Alaskans start saving with us before they start school — and we treat them with the same friendliness that we do all our other customers.

## The smallest accounts are big to us.

When we greet you we don't see just a bank account number, or the balance in your account. What we see is people — Alaskans with interests, plans, dreams, and a future in a great land that we can help build. That's what is important to us. So whether your account is big or small we'll take the time to talk and help.

# Teamwork Counts

In community events or the search for oil, teamwork makes all the difference. People working together toward a common goal generate an enthusiasm, a spirit of winning that carries them over the rough spots and leads them to great rewards.

At Atlantic Richfield Company, we're proud to be a part of this new era in Alaska's history. Yet, we believe, more than ever before, that teamwork is all important. With it, everybody wins. Without it, what would ever get done?
