The Anchorage Youth Symphony was founded in 1965 to provide young musicians with the opportunity to perform the works of the great composers. Since then the Orchestra has flourished. Major features of the AYS are its concerts and touring performances. The Orchestra has performed on three continents. National tours have included Alaska, Hawaii, California, Washington, New York, and the Washington D.C. area. International tours have included Canada, Great Britain, Australia and New Zealand. The orchestra is composed of musicians from the High Schools in Anchorage and the surrounding area. The orchestra is honoured to have Dr. John Duff, head of the music department for the University of Alaska Fairbanks, as its Music Director for this season.
